A Note from the Nurse

With winter weather now upon us, it is important to be safe as we enjoy playing in the snow.

1. Allow children to skate only on ponds or lakes that have been approved for safe skating.
2. Dress warmly in layers. This helps prevent frostbite.
3. Children should sled on packed snow that is free of debris and obstacles. This is also important for skiing. Be sure to wear a ski helmet and eye protection.

Can you tell the difference between a cold and the flu(influenza)? Here are some tips to help you:

Symptom	Cold	Flu
Nasty Headache	Rare	Common
High Fever	Rare	Common
Dry, Raspy Cough	Not Always	Almost Always
Aches & Pains	Not So Bad	Really Bad
Very Tired	Not Always	Almost Always
