

**Our volunteers give the
time of their lives...
while having fun and
making a difference!**

**Your PTO & School
working
to enhance our children's
lives everyday...**

The Parent/Teacher Organization (PTO) of Zone A, Dr. H.O. Smith School and Library Street School work throughout the school year to fund educational and fun programs for our children.

These programs would not be possible without the PTO, teachers and staff working together.

Our PTO provides so much for our children. All field trips and enrichment activities are **completely** funded by the PTO.

We are asking for your help with fundraising events during the year, as well as seeking volunteers for the exciting programs we host throughout the school year.

The HOS/LSS PTO sells several items year round, such as window clings, zipper pulls and sports bottles, all bearing the school logo. Please stop by your school to purchase these items. We also have a spirit clothing sale in the fall for items such as t-shirts, sweatshirts, hats, etc. all embossed with the either of the schools logo.

As you can see from the activities and events listed, Library Street School, Dr. H.O. Smith School and its families are dedicated to their children and their education. It takes a lot of work to make all of these things happen and we **need** your help!

The PTO is a great way to be involved and aware of the events happening at your child's school. The children also get a sense of pride knowing that their parents are helping to make their school experience the best that it can be.

Please look for PTO related items sent home with the activities planned throughout the year.
